"Link Up 2 Golf" at the Blanchard Golf Course

The Blanchard Golf Course is now offering Link Up 2 Golf, a new player program, which makes learning the game simpler, fun and more affordable than ever before. This industry-wide player development initiative, operated by Air Force Services in association with the PGA of America, National Course Owners' Association and USGA, focuses on bringing more players to the game and keeping them playing for a lifetime. It is designed to attract new golfers to the game, as well as infrequent and former golfers.

Link Up 2 Golf provides participants with a solid foundation about the game of golf, including swing mechanics and etiquette,

terminology, proper behavior, and how to maintain speed of play. For only \$99, participants receive eight hours of small group instruction and a variety of on-course playing experiences. A free orientation preceding each clinic allows participants to learn more about the program, get a tour of their host facility and meet other participants (orientation dates will be provided at sign up). For those who do not have golf clubs, rental clubs and range balls will be provided free of charge during the clinics. Those completing the program will receive a free polo shirt and ball mark repair tool.
